

# HAITI RELIEF FUNDRAISERS

City Feed and Supply is a member of SBN, The Sustainable Business Network, a coalition of almost 500 local and independent business promoting disaster relief campaigns. Together we are hoping to raise over \$100,000 by the end of February.

**This money will support nonprofit organizations doing the absolutely necessary work of saving Haitian lives.**

**Let us come together as a community to help another community.**

**We will be accepting donations at the Register at each location to be given to a local non profit, GRASSROOTS INTERNATIONAL.**

**EVERY LITTLE BIT COUNTS!  
PLEASE DONATE TODAY!**

*Thank you!*
